Leaving Jeremiah

By
Jourdan Urbach

Daniel has lived his whole life within the walls of an orphanage called Jeremiah, on Jupiter Island. He is a profoundly gifted, strong-willed and isolated 12 year old, with a powerful urge to explore. He has a plan to escape Jeremiah and experience the great adventure he has always dreamed of. But his journey hurls him into the clutches of a whirling black vortex, 10 miles below the ocean's surface, and a world yet unknown to human kind... the world of Prehistoria. Through a process of self-discovery and a very unusual friendship, Daniel experiences an important rite of passage, and leaves that world with a secret he will have to keep for the rest of his life.

"This fast paced debut novel provides a magical, daring under-the-sea adventure packed with suspense and symbolism. Capturing feelings of isolation typically experienced by the young and gifted, it brilliantly portrays challenges faced by 12 year old protagonist, Daniel, on his quest for adventure, independence, and friendship. This five star, two thumbs up book, fuels the mind and the heart, and will propel Jourdan Urbach, an astonishing young author, into the literary arena. Harry Potter and J. K. Rowling move over."

– Victoria Nesnick, Founder, The Kids Hall of Fame
